For 20+ years, the Georgia Rotary Student Program's Leadership weekend has been a signature event - welcoming more than 40 international students to Dunwoody and providing an opportunity for everyone in our Family of Rotary to enjoy fellowship with those students and each other. Our weekend is focused on leadership skills and instilling Rotary's spirit of Service Above Self in these future leaders.

This year, students will be with us in Dunwoody from Friday afternoon, February 9, through Sunday morning, February 11. Co-chairs Jackie Cuthbert and Meredith Morris need your help - we need another 5-6 host families, and people to help at various times in the weekend set-up, food and logistics. **We're having a planning meeting Thursday night, January 11, at the Dunwoody Annex at 6:30 pm and would love to have you there.**

Students are generally assigned to weekend host parents in pairs - the host provides beds to sleep in on Friday and Saturday. breakfast early Saturday and Sunday mornings, and transportation to and from the Dunwoody Annex on Shallowford. Hosts are invited to join the students for group dinners on Saturday in Rotarian homes and drop in on other parts of the program as they'd like.

To volunteering for the weekend, please contact Jackie Cuthbert at 770-597-1183 or via email at cuthbert@mindspring.com.

Laws of Life

It's Almost Time to Judge Essays!

The graphic features the text "Laws of Life" in a large, stylized font, with "of" in a smaller, yellow font. To the right is the Rotary International logo, a yellow gear with "ROTARY INTERNATIONAL" written around it. Below the logo is the text "THE GEORGIA ROTARY CLUBS LAWS OF LIFE ESSAY CONTEST". A yellow vertical bar is positioned between the text and the logo.

As we head into 2024, the Georgia Laws of Life Essay Contest is gearing up for judging essays! As a sponsoring club, our Rotarians are invited and encouraged to sign up now. Many of us have judged in the past and can vouch for this amazing opportunity - it gives you a window into the experiences that are shaping and inspiring our young people.

What's involved in judging?

- Essay Judges in teams of two are assigned 30 to 48 essays from one or more high schools.
- It should take about three hours of your time to read and score assigned essays over a one-week period.
- All scoring should be submitted 48 hours before your Team Meeting.
- On the day of your Team Meeting, teams use GoTo to meet with a volunteer team lead to select school-level winners and Honorable Mentions.

How do you sign up?

- Fill out the [Volunteer Sign-Up Form](#) at your earliest convenience. There you will indicate your training option and find the link to the Essay Judge Team Meeting Sign Up Genius.
- Once completed, you will receive a Google calendar invite for your training session. We everyone to attend the training. If you cannot attend, a recording of the training session will be made available following the session.

If you have questions about participating, contact George Stewart, who has been involved with Georgia Laws of Life since its beginning.
