District Governor and Jeff grew up helping with Rotary fundraisers and attending various Rotary Club meetings. He's pictured here with wife Patty. And here's the story he shared ...

Jeff was born and raised in Northbrook, Illinois, a suburb of Chicago. His parents, Robert “Bobby” and Fran Hanson taught him at a young age to always give back to his family, his friends, his community, and his country. His parents were involved with Rotary for most of his life. His father was District Governor for Rotary District 6440 in Illinois (1990-1991) and had perfect attendance until his death in 2015. His mother still helps out the Seneca, SC Rotary Club where Jeff’s parents retired. Throughout the years Jeff assisted his father with Rotary fundraisers and attended various Rotary clubs with his father. Some clubs Jeff has visited are in Seneca, SC, Wheeling, IL, Northbrook, IL, and Ames, IA where Jeff was pursuing a degree in Industrial Education and Technology from Iowa State University.

Editor's Note*: Its thanks to our contributions to The Rotary Foundation that young people like Kaitlin Sandor are able to study as Global Grant Scholars and work to make strides in fighting ALS and other diseases, that the World Health Organization was able to declare Africa polio free last week, and that we were able to partner with Italy on a project to help Alzheimer's patients and their families. And our TRF contributions have also helped fund books for Dresden and Kingsley students in previous years, and turkeys for Kingsley families last Thanksgiving.*
