Upcoming Meetings

Join Us in February on Zoom

We have moved back to Zoom through the month of February. As President Ardy said last week, the Dunwoody Country Club has been a great partner to us over the last few months - and we appreciate what they have done to help us meet in person by opening their doors to us with just a 25-meal minimum. However, they have advised us (since we established the pandemic dues rate) that their finances don't allow them to continue at this level and that the new minimum will be 40 meals. Given our current live attendance level is running about 15-20, we are going to explore new options. We will move to Zoom only through the month of February. If you have ideas about places to meet, we'd love to have you share them.
