## Need a few good people...

We are setting up a system to accept debit/credit cards for attendees at the BBQ event ( less than 3 weeks away). We will be using Square to take debit cards, but need 2-3 volunteers to try out (vet) the procedures before giving them to all the BBQ volunteers. being part of the Beta test would involve downloading the Square app to your cell phone/tablet, and then running a few practice tests to determine the effectiveness of the procedures we have developed. Will involve at most a half hour of testing and giving feedback on the understandability of instructions and effectiveness of those instructions.

## Spruce up Squad Strikes Again

With just 4 people (Fred Bound, Rick Otness, Erich Schuetz, and Warren Turner) the Spruce up Squad was busy beautifying "Bounds Garden" over the weekend. For those newer members it is the traffic island closest to the Dunwoody Library. The Club has been giving taht traffic island TLC (tender loving care) for well over fifteen years.

This time we cut down a small dying tree, which improved motorist visibility, and did some through weeding. Our next session we will take down a larger tree and plant a new tree. For that we will need a couple more willing hands. To be put on the spruce up list of volunteers, please give Fred Bounds (fbounds@gsu.ed) your email and cell phone number, and he will include you on the alerts for the Spruce up Squad.

## Dunwoody High School

Last week our Club got a recognition from Dunwoody High School for our contribution to their band which allowed them to buy their own trailer.
